Living with Coyotes

The population of Coyotes in urban areas across Florida is increasing. Although not necessarily dangerous to humans, coyotes are known to prey on small mammals. To detract Coyotes from frequenting your property, secure your garbage, remove any fallen fruit, and keep your small pets indoors (cats, small dogs). Learn more about the Florida Coyote by reading the Florida Fish and Wildlife Conservation Commission informational pamphlet and visiting the links below:

Bag It! Trash It!

Your dog, YOUR poop! Did you know there are bacteria, viruses and parasites in dog feces?? Please make sure to pick up after your pet and dispose of it properly - in trash dispensers nearby or carry it home and place in your garbage can. Help us keep our sidewalks, swales, and waterways clean by being responsible pet owners!

Solicitation Laws

Did you know that the City of Lighthouse Point has Solicitation Laws? Anyone wishing to visit your home to sell goods and merchandise must obtain a permit from the City. Would you like to register your address for the "No Solicitation List"? Visit the City's website:
