June 2023 Newsletter

Hurricane Season Begins Today!

Trim Trees and Shrubbery: Now is the time to trim trees and shrubbery, and remove coconuts. All vegetation is picked up in the City on a weekly basis. Having your property maintained before a storm will help to ensure that our Public Works Department will be able to assist all areas of the City during unexpected emergencies. Please remember, per [City Code Section 74-33](#), all contractor-generated trash must be removed by the company generating the contractor-generated trash.

Bag It - Don't Blow It: Per [City Code Section 90-39](#), no person shall throw debris of any kind, including lawn clippings or vegetation, into the canal. Both residents and hired landscapers should bag any lawn clippings or vegetation instead of blowing them into the canal.

Dispose of Trash and Unwanted Household Items: Now is the time to get rid of unwanted items. In previous years many residents waited until a hurricane was on its way before they emptied out their garages to make room for vehicles, and unfortunately had to bring their unwanted household items and trash back into their garages because there wasn't enough time for trash collection.

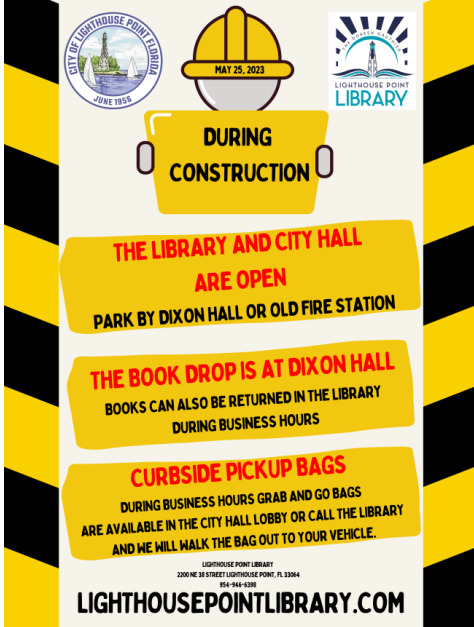

Shelters or Evacuation Plan: Now is the time to form a family hurricane action plan. Lighthouse Point is a mandatory evacuation area with category 3 and above storms. Determine what hurricane plan you and your family will follow should the need arise, how your home will be secured, and where you will stay. The best place to stay is in a home which is outside of the evacuation zone and that has hurricane shutters, food, and supplies.

The Lighthouse Point Library is expanding! City Hall

and the Library will remain OPEN during construction. Construction on the new Library Youth Wing begins this summer and is scheduled to last 9 to 12 months. Please park at Dixon Ahl Hall or the old fire station. Handicapped parking spaces, a ramp, and a crosswalk are all available. We thank you for your patience as we build for the future!

FREE Summer Programs at the Library. Attention Lighthouse Point residents! Registration is NOW OPEN for Summer Library programs. This summer there are 27 different Library programs for youth, teens, adults, seniors, and families. Highlights include Story Time, STEAM Labs, Book Clubs, Watercolor, Morikami Museum fish prints, Makerspace, and animals from the Museum of Discovery and Science. Register online NOW at lighthousepointlibrary.com with your Lighthouse Point Library card. Registration for non-resident card holders opens June 12. LHP seniors please see the Library summer program guide for details on the CDBG summer registration lottery.

The Library thanks the following organizations for their support of 2023 FREE Library Summer Programming: Friends of the Lighthouse Point Library, the Collaborative Summer Library Program (CSLP), the Community Development Block Grant (CDBG), Florida Humanities Summer Reading Grant, the Florida Division of Library and Information Services, Florida Arts and Culture, and the Southeast Florida Information Network (SEFLIN).

Ribbon-cutting ceremony of the new Pickleball and Basketball courts

City Painting Project

This project will paint the insides and outsides of the Police Department, City Hall, Tennis Center and Dixon Ahl Hall as part of standard maintenance and to match the color palette of the new City buildings. Project to commence this summer.

Tennis Center Swale Maintenance

This project will excavate the tennis court clay out of the adjoining swales thereby restoring the performance of the drainage system.

NE 39th Street Paving Project

This project will mill and resurface NE 39th Street from US-1 to NE 31st Avenue. It also includes new pavement markings and turnouts to the side streets. Project to commence just after Memorial Day.

Lighthouse Drive Paving Project

This project will mill and resurface Lighthouse Drive from NE 27th Street to NE 54th Street (north city limits) including the turnouts to the side streets. Project to commence this summer.

Pompano Reuse Irrigation Project (City of Pompano Beach)

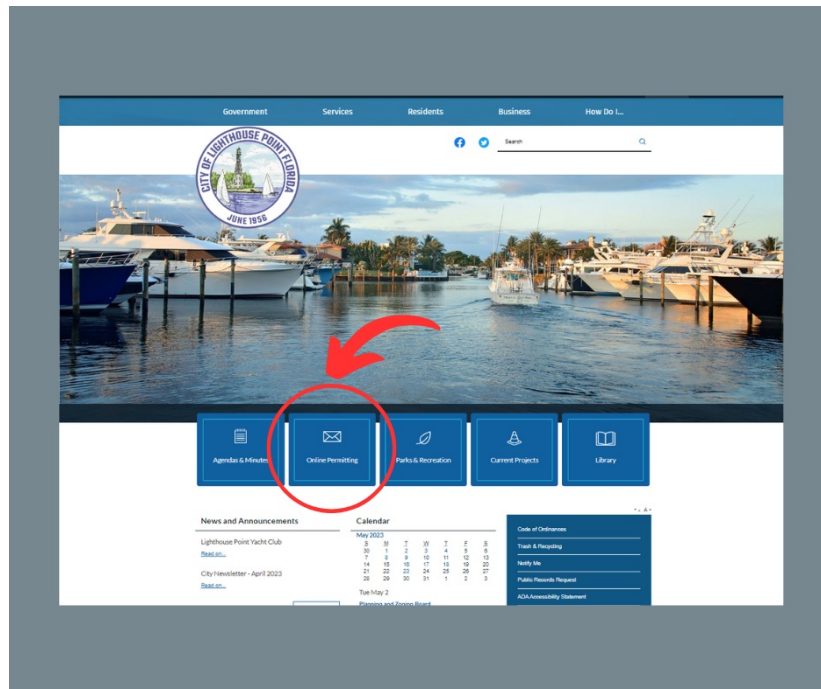

Single Family hookups to the system continue. Phase V design being finalized.

NE 38th Street Drainage Project

This project will rehabilitate the drainage system along NE 38th Street between NE 21st Way and NE 23rd Avenue and extend the system south on NE 21st Avenue. Design plans complete. Project will be constructed after the conclusion of the Library Expansion due to limited work and staging space.
