End of Year message from Mayor Van Buskirk

Although it seems to have flown by, 2023 has been a rewarding year for the City of Lighthouse Point. Among many accomplishments, we opened the beautiful John Trudel Community Center, received funding for bridge design and planning, began construction on the Library Youth Wing, procured a new police patrol vessel, completed bathroom renovations at the Tennis Center, successfully worked with our lobbyist to secure \$2.8 million from the State, held many successful community events, and are currently completing milling and paving projects. Our Police Department was triumphant in apprehending the responsible persons for the rampant golf cart thefts and successfully campaigned for the safety and security of our residents' homes and vehicles. Our Fire Department continues to serve our City with stellar service as they complete their first year in the new Station 22.

All of these accomplishments would not have come to fruition if it wasn't for the leadership of our organization. Although we continue to grieve the loss of our longtime leader, former City Administrator John Lavisky, we have now been able to promote our long time Police Chief Ross Licata to the role of City Administrator. We are confident that Mr. Licata will lead our City into another successful year. Be sure to congratulate him if you see him around town!

I am extremely appreciative and proud of our City Commission who have worked tirelessly throughout the year to address pressing issues, enhance public services, and ensure efficiency. I am grateful for our outstanding City staff for their dedication and passion for the City of Lighthouse Point.

Looking ahead to 2024, our goals remain ambitious. We aim to complete construction of the NE 38th Street Drainage Project, replace body armor for police officers, complete repairs to eight City bridges, and improve the baseball fields at Dan Witt Park. I am confident that with your support and commitment, we can turn these aspirations into reality.

On behalf of the Commission and City Staff, I thank our residents for their support and we are honored to serve you. We wish you a joyful holiday season with your family and friends!

Mayor Kyle Van Buskirk

Golf Carts

Effective 10/1/2023, House Bill 949 requires that a person operating a golf cart on a public road must:

- If 18 years of age or older, possess a form of government-issued photographic identification; or

- If under 18 years of age, possess a valid learner's driver license (accompanied by a licensed driver 21 or older) or valid driver license.

All golf carts driven on public roads must be street legal. This includes being registered with a license plate, having insurance, and being equipped with the following equipment: head lights, brake lights, tail lamps, turn signals, reflex reflectors, parking brake, rear view mirrors, windshield with a wiper, and a seatbelt for each designated seat.

Please do not drive any golf carts on the sidewalks or in the bicycle lanes.

For more information, please review the **Golf Cart FAQs**

Bulk Trash Reminders

Bulk trash and yard waste are collected twice a week, on the same days as your regularly scheduled household garbage collection days. Please place bulk trash/yard waste separate from your household garbage and recycling. Keep piles away from trees, limbs, overhead utility wires, fire hydrants, mailboxes, and any other objects in the area.

In accordance with Code Section 74-36, all bulk trash must remain out of the roadway and placed on the residence's lot next to the curb or roadway.

Residents may not place any recyclable materials, garbage, or bulk out for pickup prior to 3:00 P.M. the day before the scheduled pick-up. All containers must be retrieved from the curb by 9:00 P.M. the day of pick up.

Remember: Landscapers, gardeners, and contractors must remove yard trash and clippings. Code Section 74-33 requires that all construction contractors and landscape maintenance providers dispose of all debris generated by their work.

For more information on bulk trash, waste, and recycling in Lighthouse Point visit: <https://www.lighthousepointfl.gov/181/Garbage-Collection>
