On Tuesday, March 12<sup>th</sup>, the City Commission, staff, friends and family celebrated the end of an era as Ms. Sandy Johnson completed her last meeting as City Commissioner. With 19 years on the dais, Commissioner Johnson is the longest running female to serve on the Commission. In that time, Commissioner Johnson has achieved a multitude of positive improvements for the City. Thank you to Broward County Commissioner Lamar Fisher, State Representative Chip LaMarca, former Mayor Fred Schorr, and others for their kind words for Commissioner Johnson. Although her time on the dais comes to a close, we are certain that Commissioner Johnson will remain active in the community, as Lighthouse Point is very dear to her heart.

As we say farewell to Commissioner Sandy Johnson, we congratulate Mayor Kyle Van Buskirk and Everett Marshall III on their re-election to the Commission and Abby Stafford on her election to Commission Seat 4. All three were sworn into office (the

Mayor virtually) on Tuesday, March 26, 2024. Please congratulate them and wish them a successful four years of service!

On Thursday, March 28, 2024, the Public Works Department received numerous calls in regards to an infestation of bees on the sidewalk near the 2200 block of NE 45th Street. Thanks to Jude's Bee Removal who safely removed all the bees for relocation. No bees were harmed during this process. Great job to all!

the temporary traffic signals and be safe.

### **Canal Dredging**

A contractor has been selected to perform the two tasks in Phase 1. Contract documents are complete with project commencement contingent on environmental permit receipt from the Army Corps of Engineers. We expect mobilization and the project to begin during the second quarter of 2024.
