## **PUBLIC NOTICE**

### **Re: NE 53<sup>rd</sup> Court Waterway Debris Removal**

Dear Lighthouse Point Resident,

The waterway separating the City of Lighthouse Point and the City of Deerfield Beach running behind the homes of NE 53<sup>rd</sup> Ct (LHP) and SE 14<sup>th</sup> Ct (CODB) has a large accumulation of sediment and vegetation debris. The City of Lighthouse Point and the City of Deerfield Beach have joined together to clean up the waterway. This waterway is a crucial drainage structure for the entire area, so its proper function is necessary.

Starting Tuesday July, 15<sup>th</sup> 2025 you might notice city staff working behind your homes in the waterway. They will access the waterway from NE 27<sup>th</sup> Avenue and NE 29<sup>th</sup> Avenue with NE 29<sup>th</sup> Avenue being the primary haulout site. They do not need access to your property as they will be working in the waterway right of way only. NE 29<sup>th</sup> Avenue between NE 53<sup>rd</sup> Ct. (LHP) and SE 14<sup>th</sup> Ct. (CODB) may be blocked for some time to accommodate equipment and staged materials. Standard work hours are 8am to 4pm Monday through Friday. Project duration is estimated at 14 calendar days.

Thank you in advance for your understanding and patience during execution of this very important project.
