Dear Potential Instructor:

The City of Lighthouse Point Department of Parks & Recreation is seeking the talent of local teachers, fitness instructors, and certified experts in sports, arts, or "fun to do" classes to become a contracted instructor at our new Community Center at Dan Witt Park.

If you are interested in teaching one of various recreation activities, sports, or innovative programs that you think might offer a fulfilling or enlightening experience for the local community, please complete the ***Class/Program Proposal*** application.

Once your Proposal has been submitted, reviewed, and approved, the Recreation Coordinator will contact you. Pursuant to the Contractor Agreement Contract, all Instructors must complete a background check, fingerprinting, and provide a current certificate of liability insurance (naming City of Lighthouse Point as an additional insured) prior to being allowed to teach classes.

The City of Lighthouse Point Department of Parks & Recreation personnel will manage registration for all class participants. There is an 80/20 split between the Instructor and the City. We will help promote all of our classes at our Special Events, City Facilities, Website, and Facebook Page.
