MESSAGE

FROM THE CHIEF

Holiday Safety Message from the Lighthouse Point Police Department

As we head into the holiday season, many of us are looking forward to time with friends and family, community gatherings, and a chance to enjoy the spirit of the season. It's also a time when we often see an increase in thefts, scams, and vehicle burglaries. With that in mind, we want to share a few reminders to help keep you and your home safe this year.

If you're out shopping, either in person or online, be careful with how you store and transport gifts. Try not to leave packages visible inside your vehicle, and remember to lock your doors and remove any valuables or key fobs. A locked vehicle with nothing in sight is far less likely to be targeted.

If you'll be out of town, take a few steps before you leave: secure all doors and windows, set your alarm if you have one, and consider using timers or smart lighting to make the home look occupied. Residents can also sign up for our **Closed Home Program**, which allows officers to periodically check on your property while you're away. More information and registration can be found here: <https://www.lighthousepointfl.gov/244/Police-Department> Letting a trusted neighbor know your plans is also a good idea.

We also want to remind everyone to be cautious of holiday scams. Be especially careful with unsolicited emails, phone calls, or messages asking for personal information or donations. Take a moment to verify charities or organizations before giving.

Throughout the season, our officers will be increasing patrols in shopping areas and neighborhoods. We encourage everyone to stay alert, report suspicious activity, and look out for one another. Small steps go a long way.

From our department to your family, we wish you a safe and happy holiday season. Please reach out if you have any questions or concerns — we are here to help.

A Note from the LHP PD on Electric Bikes and Scooters

Many families consider electric scooters, bikes, and similar motorized devices as gifts during the holiday season. While some of these devices are legal to use in the city, others may not be, and not all are appropriate for younger riders. We encourage parents to take a moment to consider whether a device both legal and age-appropriate before making a purchase.

If you're unsure whether a device is legal or suitable for your child, please call us at

954-942-8080 or visit our website. One of our officers can help answer questions before you buy. Keep in mind that the same basic rules of the road that apply to bicycles apply to most of these devices, including where they may be used and how they should be operated safely.

The safety of children using these devices is a shared responsibility. The Police Department can provide education, guidance, and enforcement, but we rely on parents to be actively involved—making sure their children understand how to ride safely, follow traffic rules, and respect other motorists and pedestrians who share our streets and sidewalks.

The Police Department also offers E-Bike Safety Classes throughout the year, and we encourage families to participate. Working together, we can help ensure a safer environment for everyone on our roadways.

2026 Municipal Election

The City of Lighthouse Point will hold a Municipal Election on Tuesday, March 10, 2026, at which, qualified electors will elect three (3) City Commissioners for Seats 1, 2, and 3.

Qualifying for candidacy for Commission Seats 1, 2, and 3 will be open from Noon on January 2, 2026 until Noon on January 9, 2026. For more information regarding the upcoming election, please visit <https://lighthousepointfl.gov/367/2026-Election>.

Holiday Trash Collection Schedule

There is only one day a year that we do not receive trash or recycling collection – Christmas Day!

There will be NO garbage or recycling pick-up on **Thursday, December 25, 2025**.

Residents scheduled for Thursday collection will have their garbage picked up on their next regular collection day, Monday, December 29, 2025.

Let's Recycle Better, Together

Cheers to recycling right this holiday season! When you properly sort recyclables, they

transform into new products, reducing landfill waste. Let's celebrate sustainability together!

Lighthouse Point Library

Visit our website or contact us by phone at 954-946-6398.

Friends' Basket Raffle and Bake Sale at Lighthouse A' Glow on 12/03! CASH ONLY. Check out the Friends of the Library's Bake Sale Booth and purchase a sweet treat or a raffle ticket for one of their fantastic gift baskets. Cookies start at \$1. Raffle tickets start at \$5. For safety, all food items are from industrial kitchens. The raffle for baskets will take place in the Library on Saturday, December 13th. All proceeds support the library.

Family Makerspace Craft on Saturday 12/13! Stop by the Library's new youth wing between 10:30am to 12:30pm on Saturday, December 13 for a fun family makerspace craft. This year's ocean theme includes a craft, a photo stop, coloring fun, and a drawing for the kids' books! Crafts available while supplies lasts. The Library makerspace and book drawings are supported by the Friends of the Library.

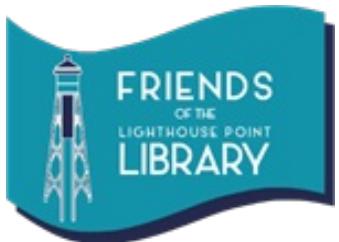

The Lighthouse Point Library is helping deliver mail to the North Pole! You can mail your letter to Santa using a mailbox located in the Library's new youth wing. Then watch your home mailbox for a personal response from Santa! Don't forget to include your address so Santa can write you back! Remember, Santa is really busy this time of year so he can only answer letters received on or before Wednesday, December 10th.

Attention Lighthouse Point Residents Ages 62 and Over!

The lottery for Winter/Spring CDBG Programs runs through Friday, December 19. Stop by the Library to fill out your forms for the new CDBG year and select your class preferences in the lottery. Proof of Lighthouse Point residency and age is required by the grant. Lottery

participants will be notified of their registration status by email. Please check lighthousepointlibrary.com for Library hours.

End of Year Giving. As you plan your end of year giving, please consider adding the Friends of the Lighthouse Point Library IRS 501(C)3 EIN 59-2331329 to your charity list. The Friends help fund and enhance the Library's youth and adult programming, collections, volunteer appreciation, and special projects. Donations of any amount are welcome. Donate at [Lighthousepointlibrary.com](http://lighthousepointlibrary.com) or by check made out to Friends of the Lighthouse Point Library.

Seawall Erosion Repairs

The scope of this project includes the installation of riprap revetment at four (4) locations waterward on the City's existing seawalls to protect the existing seawalls from erosion at localized areas. The locations include an area east of Lighthouse Drive (NE 23rd Avenue) and north of NE 39th Street at a stormwater outfall, east of Lighthouse Drive (NE 41st Terrace) ad north of NE 23rd Terrace at a stormwater outfall, north of NE 39th Street between NE 30th Avenue and NE 31st Avenue, and south of NE 39th Street, between NE 30th Avenue and NE 31st Avenue. Work began on December 1st and will take approximately 2 weeks to complete. If you have any questions, please contact Public Works Director Dewain Akerblom at 954-946-7386.

NE 21st Avenue Improvement Project

The City of Lighthouse Point will be performing drainage and roadway improvements along NE 21st Avenue from Sample Road to NE 30th Street, to include portions of NE 30th Court and NE 34th Court. The purpose is to eliminate standing water within the City right-of-way and the adjacent properties. The scope of work for this project includes, but is not limited to, drainage improvements, the installation of new drainage

connections, storm pipes, drainage inlets and manholes, exfiltration trenching, CIPP of existing storm pipes, resurfacing of existing roadway, pavement striping, and new concrete sidewalks.

The project is expected to begin during the week of January 5, 2026, and will take approximately 12 months to complete. Traffic will be permitted, and the contractor will ensure all residents can safely navigate around the equipment. Typical work hours are Monday – Friday from 8am to 6pm with allowance for some weekend work to expedite the project.

Thank you in advance for your patience during this very important project. If you have any questions, please call Public Works Director Dewain Akerblom at 954-946-7386.

Big thanks to Trinity Christian School for stopping by and delivering goodies as part of Random Acts of Kindness Week. City Staff were thrilled to meet the students and appreciated the treats they brought along. Pictured with the students is City Administrator Licata and Principal Fagiani.

Congratulations to Brandon Board and Parker Van Buskirk for earning the Soccer MVP awards! They were recognized at the November 18th City Commission Meeting.

Flag Retirement Box

Did you know there's a flag retirement drop box located right outside City Hall? It was installed a few years ago as part of an Eagle Scout project to give residents an easy way to properly retire worn or damaged American flags. If your flag has seen better days, simply drop it off anytime, and it will be respectfully disposed of according to tradition.
