

Separating Your Debris

Debris should be placed curbside, without blocking the roadway or storm drains.

PLEASE DO NOT PLACE DEBRIS IN TRASH BAGS.

STORM DEBRIS SEPARATION

Separate debris into the categories shown below.

DO NOT STACK OR LEAN

Placing debris near or on trees, poles, fire hydrants or meters makes removal difficult. Be sure to keep debris away from storm drains. Avoid placing piles on driveways or private paved surfaces.

UNSURE WHERE TO PLACE DEBRIS?

If you don't have a sidewalk, or utility line in front of your house, place debris at the edge of your property.

HOUSEHOLD TRASH AND RECYCLING

Place household trash in garbage/recycling bins as usual

Place separate from storm debris, normal pick up days.

Leaves - if already in bags, place with normal trash

VEGETATIVE DEBRIS

Logs
Plants
Tree branches
Palm fronds

**Nothing in
Bags!**
