### Now is the time to prepare for Hurricane Season

**Trim Trees and Shrubbery:** Now is the time to trim trees and shrubbery, and remove coconuts. All vegetation is picked up in the City on a weekly basis. Having your property maintained before a storm will help to ensure that our Public Works Department will be able to assist all

areas of the City during unexpected emergencies. Please remember, per [City Code Section 74-33](#), all contractor-generated trash must be removed by the company generating the contractor-generated trash.

**Bag It - Don't Blow It:** Per [City Code Section 90-39](#), no person shall throw debris of any

kind, including lawn clippings or vegetation, into the canal. Both residents and hired landscapers should bag any lawn clippings or vegetation instead of blowing them into the canal.

**Dispose of Trash and Unwanted Household Items:** Now is the time to get rid of unwanted items. In previous years many residents waited until a hurricane was on its way before they emptied out their garages to make room for vehicles, and unfortunately had to bring their unwanted household items and trash back into their garages because there wasn't enough time for trash collection.

**Shelters or Evacuation Plan:** Now is the time to form a family hurricane action plan. Lighthouse Point is a mandatory evacuation area with category 3 and above storms. Determine what hurricane plan you and your family will follow should the need arise, how your home will be secured, and where you will stay. The best place to stay is in a home which is outside of the evacuation zone and that has hurricane shutters, food, and supplies.

## Police Department News

It has recently come to the attention of the Lighthouse Point Police Department that occasional 911 emergency calls for service being made to the Broward County Regional Communications Dispatch and 911 Centers are getting a delayed reply/response, or in some cases, the calls are going unanswered. The explanation given is that Broward County Regional Communications 911 Centers are extremely understaffed. If you, as a City of Lighthouse Point resident, experience difficulty reaching Broward County Regional Communications 911 for an emergency or non-emergency need, I encourage you to call the Lighthouse Point Police Department non-emergency phone number at 954-942-8080 for assistance.
