The following instructions are given for the purpose of guiding Proposers in properly preparing their proposal or proposals. These directions have equal force and weight with the specifications and strict compliance is required with all of these provisions.

1. Qualifications of Proposers: No Proposal will be accepted from, nor will any contract be awarded to, any person who is in arrears to the City of Lighthouse Point, upon any debt or contract, or who has defaulted, as surety or otherwise, upon any obligation to the City, or who is deemed irresponsible or unreliable by the City Commission of Lighthouse Point. The Proposer shall have at least five (5) years demonstrated experience in tree corrective pruning work similar or larger than the work anticipated in this project. The Proposer must have sufficient qualified staff to complete the work in the time required. Work must be supervised under the direction of a certified arborist.

2. Personal Investigation: Proposers shall satisfy themselves by personal investigation and by such other means as they may think necessary or desirable, as to the conditions affecting the proposed work and the cost. No information derived from maps, plans, specifications, or from the City staff or their assistants shall relieve the Contractor from any risk or from fulfilling all terms of the contract.

3. Inconsistencies: Any seeming inconsistency between different provisions of specifications, proposal or contract, or any point requiring explanation must be inquired into by the Proposer, in writing, at least ten (10) days prior to the time set for opening Proposals. After Proposals are opened, the Proposers shall abide by the decision of the City Administrator or designee as to such interpretation.

4. Addenda and Interpretations: No interpretations of the meaning of the specifications or other contract documents will be made orally to any Proposer. Proposers must request from the City Clerk or City designee such interpretation in writing. To be considered, such request must be received no later than 2:00 p.m. (local time), on Friday, June 10, 2022. Any and all interpretations and any supplemental instructions will be in the form of a written addenda which, if issued, will be sent to all prospective Proposers (at the address furnished for such purpose) not later than June 15, 2022. Failure of any Proposer to receive any such addenda or interpretation shall not relieve any Proposer from any obligation under his proposal as submitted. All addenda so issued shall become a part of the contract document. Proposer shall verify that he has all addenda before submitting a proposal.

5. Public Entity Crimes: A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

or subordinate must accompany the Proposal. No Proposal will be accepted, for any reason whatsoever, which is not submitted to the Office of the City Clerk as stated above, within the specified time. Any uncertainty regarding the time a bid is received will be resolved against the Proposer.

8. Bid Bond: A certified check, cashier's check, bank officer's check, or bid bond for the sum of TEN PERCENT (10%) of the bid amount, made payable to the City of Lighthouse Point, Florida, must accompany each Proposal as evidence of the good faith and responsibility of the Proposer. The check or bond shall be retained by the City as liquidated damages should the Proposer refuse to or fail to enter into an Agreement with the City within thirty (30) days upon award of the proposal. Retention of such amount shall not be construed as a penalty or forfeiture. The above bond or check shall be a guarantee that the Proposer will furnish the specified work identified in the Request for Proposal. The check or bond accompanying the proposal of the Successful Proposer will be returned to the Successful Proposer after the actual start date of the performance of work. The checks or bid bonds of the unsuccessful proposers will be returned upon the acceptance of the proposal of the Successful Proposer, so long as the proposers have not forfeited such.

9. Performance Bond and Payment Bond: Not required.

10. Filling in Bids: All prices must be written in the Proposal, and all Proposals must fully cover all items for which Proposals are asked and no other. Proposer shall distinctly state such fact and shall state that the Proposal is, in all respects, fair and without collusion or fraud. Where more than one person is interested, it is required that all persons interested or their legal representative make all verification and subscribe to the Proposal. Failure by City to respond to an inquiry shall not excuse late or incomplete submissions.

11. Bids Firm for Acceptance: Proposer warrants, by virtue of submitting a Proposal, that the prices contained in the Proposal will be firm for acceptance by the City for a period of ninety (90) days from the date of bid opening.

12. Withdrawals: Any Proposer may, without prejudice to himself, withdraw his Proposal at any time prior to the expiration of the time during which Proposals may be submitted. Such request for withdrawal must be in writing and signed in the same manner and by the same person who signed the Proposal. After expiration of the period for receiving proposals, no Proposal can be withdrawn, modified, or explained. Should Proposer withdraw its Proposal after expiration of the period for receiving proposals, it shall forfeit its Bid Bond.

13. Causes for Rejection: No Proposal will be canvassed, considered, or accepted which, in the opinion of the City Administration, is informal or unbalanced, or contains inadequate or unreasonable prices for any items; each item must carry its own proportion of the cost as nearly as is practicable. Any alteration, erasure, interlineations, or failure to specify proposals for all items called for in the schedule shall render the Proposal informal. Contact with personnel of the City of Lighthouse Point other than the City Clerk or designated representative regarding the RFP shall be grounds for elimination and disqualification from the selection process.

14. Rejection of Proposals: The City reserves the right to reject any Proposal if the evidence submitted by the Proposer, or if the investigation of such Proposer, fails to satisfy the City that such Proposer is properly qualified to carry out the obligations. Any or all Proposals will be rejected, if there is reason to believe that collusion exists among Proposers. A Proposal will be considered irregular and may be rejected, if it shows serious omissions, alterations in form, additions not called for, conditions or unauthorized alternates, or irregularities of any kind. The City of Lighthouse Point reserves the right to reject any and all Proposals, to waive any and all informalities and irregularities, and to accept or reject all or any part of any Proposal, and to waive such technical errors as may be deemed to be in the best interest of the City, or the City may reject Proposals and re-advertise.

15. Award of Bid: The City Commission will award the bid to the most responsible and responsive lowest priced Proposer. The Contractor(s) awarded the bid must have satisfactory references.

16. Agreement: The Proposer(s) to whom award is made shall execute a written agreement to do the work

in the form attached to this RFP. The award may be canceled by the City Commission and awarded to the next lowest priced responsible and responsive Proposer. If this occurs, such Proposer shall fulfill every stipulation as if he were the original party to whom award was made. The Agreement will include specific insurance, performance bond, and indemnification requirements as set forth in the attached specifications. Proposers must submit any questions, issues, or concerns with the terms and/or language in the attached Agreement by the deadline for submitting requests for interpretations in paragraph 4 above.

17. Payment: Payment will be made when all work is completed to the satisfaction of the City Administrator or designee. Successful Proposer may submit invoices no more frequently than bi-weekly as work progresses.

18. Audit of Contractor's Records: Upon execution of the Contract, the City reserves the right to conduct any necessary audit of the Contractor's records. Such an audit, or audits, may be conducted by the City or its representatives at any time prior to final payment, or thereafter, for a period up to three (3) years or the period of time in which federal or state agencies may review or audit the City for reimbursements received by the City. The City may also require submittal of the records, at no cost to the City, from the Contractor, the subcontractor, or both. For the purpose of this Section, records shall include all books of account, supporting documents and papers deemed necessary by the City to assure compliance with the Contract provisions.

Failure of the Contractor or subcontractor to comply with these requirements may result in disqualification or suspension from bidding for future contracts or disapproval as a subcontractor at the option of the City. The Contractor shall assure that his subcontractor will provide access to its records pertaining to the project upon request by the City.

21. Lobbyists: Pursuant to Broward County Ordinance 2011-19, Lobbyists, and any of their principals or employers attending such meeting, are required to complete a Contact Log contemporaneously with the meeting. City of Lighthouse Point Ordinance 2011-0897 requires Lobbyists to register with the City prior to engaging in lobbyist activities within the City.

12.5 CONTRACTOR warrants to the CITY that the consummation of the Work provided for in the Contract Documents will not result in the breach of any term or provision of, or constitute a default under any indenture, mortgage, contract, or Agreement to which the CONTRACTOR is a party.

12.6 No warranty, either express or implied, may be modified, excluded or disclaimed in any way by CONTRACTOR. All warranties shall remain in full force and effect, notwithstanding acceptance and payment by CITY.

12.7 If the Work is defective, or CONTRACTOR fails to supply sufficient skilled workers or suitable materials or equipment, or fails to furnish or perform the Work in such a way that the completed Work will conform to the Contract Documents, CITY may order CONTRACTOR to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, this right of CITY to stop the Work shall not give rise to any duty on the part of CITY to exercise this right for the benefit of CONTRACTOR or any other party.

13.0 CHANGES IN THE WORK

CITY, without invalidating this Agreement, may order additions, deletions or revisions to the Work. Such additions, deletions or revisions shall be authorized by a Written Amendment or Work Directive executed by the City Administrator.

14.0 CONTRACTOR'S INDEMNIFICATION

14.1 The CONTRACTOR agrees to protect, defend, indemnify, and hold harmless the CITY, its officers, employees, and agents from and against any and all lawsuits, penalties, damages, settlements, judgments, decrees, costs, charges, and other expenses or liabilities of every kind in connection with or arising directly out of the work agreed to be performed herein, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of CONTRACTOR, its employees, servants, agents, and subcontractors. Without limiting the foregoing, any and all such claims, suits, etc., relating to personal injury, death, damage to property, defects in materials or workmanship, actual or alleged infringement of any patent, trademark, copyright or of any other tangible or intangible personal or property right, or any

actual or alleged violation of any applicable statute, ordinance, administrative order, rule or regulation or decree of any court, is included in the indemnity. CONTRACTOR further agrees to investigate, handle, respond to, provide defense for, and defend any such claims, etc., at his sole expense and agrees to bear all other costs and expenses related thereto, even if the claim(s) is groundless, false, or fraudulent. In case of injury to persons, animals, or property, real or personal, by reason of failure to erect or maintain proper and necessary barricades, safeguards, and signals or by reason of any negligence of any CONTRACTOR, or any of the CONTRACTOR'S agents, servants, or employees during the performance of the work before the estimates have become due under this Agreement, the CITY may, through its officials, withhold such payments as long as it may deem necessary for the indemnity of the CITY as Owner, provided that the failure to pay the same shall not be construed or considered as a waiver of the indemnity as hereinabove set forth.

14.2 Furthermore, the parties understand and agree that the covenants and representations relating to this indemnification provision shall serve the term of this Agreement and continue in full force and effect as to the party's responsibility to indemnify.

15.0 PAYMENTS TO CONTRACTOR AND COMPLETION OF WORK

15.1 CONTRACTOR may requisition payments for Work completed during the Project at intervals of not more than bi-weekly. The CONTRACTOR'S requisition shall show a complete breakdown of the Work components, the quantities completed and the amount due, together with a certification by the CONTRACTOR that the CONTRACTOR has disbursed to all Subcontractors and suppliers their pro-rata shares of the payment out of previous payments received by the CONTRACTOR for all Work completed and materials furnished in the previous period or properly executed releases of liens by all Subcontractors, suppliers and materialmen who were included in the CONTRACTOR'S previous applications for payment, and any other supporting documentation as may be required by the City Administrator or his designee or Contract Documents. CITY shall have five (5) business days to approve or disapprove the requisition. If the requisition is not approved, the reasons therefor shall be stated with particularity. The CITY shall make payment to the CONTRACTOR within fifteen (15) calendar days after approval by the City Administrator, or his designee, of the CONTRACTOR'S requisition for payment. Payments will be made by check and will be delivered to CONTRACTOR.

15.2 If, on the basis of City Administrator's, or his designee's, observation of the Work during the performance of tree trimming, City Administrator, or his designee, is satisfied that the Work has been completed in accordance with the Contract Documents and CONTRACTOR'S other obligations under the Contract Documents have been fulfilled, the CITY will make payment. Otherwise, the payment requisition will be returned to CONTRACTOR, indicating in writing the reasons for refusing to recommend payment, in which case CONTRACTOR shall make the necessary corrections and resubmit the payment requisition.

15.3 Upon final completion of all Work pursuant to the Agreement, final payment, constituting the entire unpaid balance of the Contract Price shall be paid by the CITY to the CONTRACTOR when the Work has been completed in accordance with the Contract Documents, this Agreement fully performed, and a final certificate for payment has been issued by the City Administrator, or his designee. The making of final payment shall constitute a waiver of claims by CITY except those arising from:

15.3.1 Liens, claims, security interests or encumbrances arising out of this Agreement and unsettled.

15.3.2 Faulty or defective Work and latent defects discovered after acceptance.

15.3.3 Failure of the Work to comply with the requirements of the Contract Documents.

15.3.4 Terms of special warranties required by the Contract Documents.

15.3.5 Any of CONTRACTOR'S continuing obligations, including without limitation warranties, under this Agreement.

15.4 The acceptance of final payment by CONTRACTOR or the Subcontractor for materials and

supplies shall constitute a waiver of claims by that payee except those previously made in writing and identified by payee as unsettled at the time of final application for payment.

15.5 The CITY may withhold in whole or in part, final payment or any progress payment to such extent as may be necessary to protect itself from loss on account of:

15.5.1 Defective Work not remedied.

15.5.2 Claims filed or reasonable evidence indicating the probable filing of claims by other parties against the CONTRACTOR.

15.5.3 Failure of the CONTRACTOR to make payment to Subcontractors or suppliers for materials or labor.

15.5.4 Damage to another contractor not remedied.

15.5.5 Failure to carry out the Work in accordance with the Contract Documents.

15.6 When the above issues are removed or resolved or the CONTRACTOR provides a surety bond or a consent of surety satisfactory to the CITY which will protect the CITY in the amount withheld, payment may be made in whole or in part.

15.7 CONTRACTOR acknowledges that all Work under this Agreement is performed on public property; therefore, CONTRACTOR and any subcontractors cannot and will not record any liens or other encumbrances on such property to secure payment pursuant to this Agreement.

16.0 CITY'S TERMINATION OF THE AGREEMENT

16.1 Upon the occurrence of any one or more of the following events:

16.1.1 If CONTRACTOR commences a voluntary case under any chapter of the Bankruptcy Code as now or hereafter in effect, or if CONTRACTOR takes any equivalent or similar action by filing a petition or otherwise under any other federal or state law in effect at such time relating to the bankruptcy or insolvency.

16.1.2 If a petition is filed against CONTRACTOR under any chapter of the Bankruptcy Code as now or hereafter in effect at the time of filing, or if a petition is filed seeking any such equivalent or similar relief against CONTRACTOR under any other federal or state law in effect at the time relating to bankruptcy or insolvency.

16.1.3 If CONTRACTOR makes a general assignment for the benefit of creditors.

16.1.4 If a trustee, receiver, custodian or agent of CONTRACTOR is appointed under applicable law or under Contract, whose appointment or authority to take charge of property of CONTRACTOR is for the purpose of enforcing a Lien against such property or for the purpose of general administration of such property for the benefit of CONTRACTOR'S creditors.

16.1.5 If CONTRACTOR admits in writing an inability to pay its debts generally as they become due.

16.1.6 If CONTRACTOR persistently fails to perform the Work in accordance with the Contract Documents (including but not limited to, failure to supply sufficient skilled workers or suitable materials or equipment or failure to adhere to the progress schedule as same may be revised from time to time).

16.1.7 If CONTRACTOR disregards laws or regulations of any public body having jurisdiction, State guidelines, or acceptable safety and horticultural practices.

16.1.8 If CONTRACTOR otherwise violates in any substantial way any provisions of the Contract Documents.

16.2 CITY reserves the right to terminate this Agreement immediately for unsatisfactory performance. In such case CONTRACTOR shall not be entitled to receive any further payment for additional work performed.

16.3 Upon seven (7) calendar days written notice to CONTRACTOR, CITY may, through a resolution of the CITY Commission, without cause and without prejudice to any other right or remedy, terminate this Agreement for CITY'S convenience whenever CITY determines that such termination is in the best interests of CITY. Where the Agreement is terminated for the convenience of CITY, the notice of termination to CONTRACTOR must state that the Agreement is being terminated for the convenience of CITY under the termination clause, the effective date of the termination and the extent of termination. Upon receipt of the notice of termination for convenience, CONTRACTOR shall promptly discontinue all Work at the time and to the extent indicated on the notice of termination, terminate all outstanding Subcontractors to the extent that they relate to the terminated portion of the Agreement, and refrain from placing further orders and Subcontracts. CONTRACTOR shall not be paid on account of loss of anticipated profits or revenue or other economic loss arising out of or resulting from such termination.

time specified in this Agreement for completion, as fixed and agreed liquidated damages and not as a penalty. Liquidated damages are hereby fixed and agreed upon between the parties, recognizing the impossibility of precisely ascertaining the amount of damages that will be sustained by CITY as a consequence of such delay and both parties desiring to obviate any question of dispute concerning the amount of said damages and the cost and effect of the failure of CONTRACTOR to complete the work on time as agreed.
