## **PUBLIC NOTICE:**

### **NE 27<sup>th</sup> Avenue Drainage Project**

Dear Lighthouse Point Resident,

The proposed drainage project on NE 27<sup>th</sup> Avenue from NE 34<sup>th</sup> Street to NE 33<sup>rd</sup> Street is finally beginning. There are five structures to install and over 500 linear feet of drainage pipe. The main pipe will run underneath the roadway on the northbound side. Once the pipes and structures are installed the section of the road that was skipped during the recent paving work will be finished. The project will involve road closures with detours set up around the block to the east.

We look forward to completing this very important project and appreciate your patience during the process.

For any questions or concerns please see the contacts listed below.

Thank you,
